

Winrock Invitational Santa Gertrudis Sale At Morrilton May 14

Morrilton, Arkansas — Winrock Farms has announced the 2nd Annual Winrock Invitational Santa Gertrudis Sale will be held May 14, 1977 on Petit Jean Mountain near Morrilton, Arkansas.

Only quality Santa Gertrudis cattle will sell in this event that combines the breeding of Winrock Farms with that of Bobby Shelton and Joe Maurin's Los Jabonillos and Spanish Creek Ranches headquartered at Corpus Christi, Texas.

Selling will be 10 Santa Gertrudis bulls and 40 pairs from the Winrock, Los Jabonillos and Spanish Creek herds.

The First Winrock Invitational held May 3, 1976 was an indication of the type of cattle to be offered again in 1977. The 1976 offering of 40% head sold for \$300,000 for an average of \$4,000. Last year 0% bulls sold for \$90,000 with the high selling bull going to Twist Kimball for \$36,000.

ET Simmentals Average \$813

Henderson — The East Texas Simmental Association's first annual sale here April 24 grossed \$61,065 on 75 lots for an average of \$813.

The sale was topped by a 100 percent purebred bull consigned by Triple C Ranch, Oklahoma at \$3,000. Another Triple C Ranch purebred bull sold for \$3,000.

Dr. Eddie Clayton consigned a 100 percent purebred bull that sold for \$2,500.

S-W Ranch consigned a bred purebred female that sold for \$5,000 to for 3/4 interest. Forty females sold for \$110,000 with the top female pair going to Robert and Debbie Shelton's Los Jabonillos for \$6,500.

Santa Gertrudis breeders and enthusiasts have been invited to attend this 2nd Invitational Santa Gertrudis Sale and select from some of the top Santa Gertrudis cattle in the world.

For information and sale catalogs write Winrock Farms, Route 3, Morrilton, Arkansas 72110, 501/727-5421.

Edelle Parker of Tyler, Sweetbriar Simmental Ranch consigned a purebred Embury transplant female carrying the embryo of a cow imported from Ireland for \$1,600.

Triple C Ranch sold an open purebred female for \$2,500; J-Ben Land & Cattle Co., sold a bred 7/8th female for \$1,000; Prince Ranch sold a bred purebred for \$800; and Seven P Simmental Ranch sold a bred purebred for \$1,000.

Arizona Directs

Seven States Estimated Cattle on Feed Dropped 4%

April Placements on Feed 1,658,000, Highest in Six Years of Record, April Marketings 2% Above 1976

Washington, May 18 (USDA) Cattle and calves on feed May 1 for slaughter markets in the seven states preparing monthly estimates totaled 1,658,000, the highest in six years of record, 2 more than April last year and 20 greater than April 1975. Placements were above last year in five of the seven states.

Fed cattle marketed during April totaled 1,564,000, up 3% from 1976 and 2% larger than April 1975. Marketings were equal to or exceeded a year ago in four of the seven states.

April placements of cattle and calves on feed in the states totaled 1,658,000. Other disappanance totaled 178,000. (CONT. ON PAGE 1A)

Fed Cattle, Hogs Highly Erratic At Terminals In Monday Trading

Receipts were lighter around the major terminal markets Monday and price trends on both fed cattle and hogs were unevenly higher and lower from point to point. Top hog prices were as much as 1.00-1.50 apart at various markets and fed cattle trends and prices were about as well mixed. Price trends, quotations on choice and prime steers and heifers and the mixed good and choice grades and on U.S. 1-3 hogs scaling mostly 200-270 pounds included:

Omaha fed cattle 25-50s lower, steers 40.00 to 42.75 and 40.75-41.50; heifers 38.50-40.50 and 39.00-40.25. Hogs 50c-1.00 lower at 41.50-43.75. Sioux City fed cattle fully steady, steers 43.00-44.25 and 40.50-41.00; heifers 39.00-40.50 and 38.50-39.50. Hogs 1.00 lower at 42.50-43.25.

Portland fed cattle steady to 50¢ lower, steers 41.00-42.50 and 37.00-38.50; heifers 38.50-41.00 and 36.50-39.50. Hogs 50¢ higher on weights under 230 lbs. with 200-230 weights 44.00-45.50, and heavier oalors, Jollot fed cattle steady to 25¢ lower, steers 41.00-42.25 and 39.00-41.00; heifers 38.75-41.25 and 38.00-39.75. Hogs under 250 lbs. weights 44.00-46.00.

St. Paul steers 50c up, heifers firm to 80c up, steers 40.00-41.50 and 38.50-40.50; heifers 38.50-40.00 and 37.50-38.50. Hogs 50c-1.50 lower at 42.00-43.50. Sioux Falls fed cattle mostly steady, steers 40.00-42.00 and 39.50-41.00; heifers 39.50-40.00 and 38.50-39.50. Hogs 50-1.50 lower at 41.00-43.50.

St. Louis fed cattle steady, steers 40.00-41.50 and 39.00-40.25; heifers 38.50-40.00 and 37.50-38.50. Hogs open at 25-50¢ higher, closed weak at 43.00-46.00. St. Joseph cattle 50c, spots 1.00 lower, steers 41.00-42.25 and 39.00-41.25; heifers 39.00-41.25 and 38.00-39.00. Hogs 75-2.00 lower at 40.50-43.50. Kansas City steers 1.00 lower, heifers weak to 50¢ lower, steers 41.00-42.00 and 40.00-41.00; heifers 39.00-40.50 and 38.00-39.50. Hogs 75-1.00 lower at 41.50-43.50.

Stuph & Thangs

RAGS TO RICHES, TH' POSSIBLE DREAM ...

All over the world these days we get stories of how the shortages are making new crops wealthy people as producers of stuph rangin' from oil to coffee and various kinds of minerals, etc., are getting higher and higher prices and while the backs behind some of the shortages are hard to nail down there is no doubt some of the pore ragging peoples are joinin' the stock and country club sets.

A sudden affluence of some of the OPEC countries has been heeled and robaand and natives of some of those countries in the Arab bloc have reached the same heights of apendritness which used to be familiar in this country when some poverty stricken farmer or rancher suddenly struck oil. Those of you who have been around long enough can recall how those newly rich people threw their hats in the air and headed for town to buy the latest and best and put their kids in sporty automobiles and in some cases the new wealth was held together and some family fortunes were established, but in the majority of (CONT. USDA Announces Rules, Dates For Beef Research, Information Referendum

Washington, May 19 — The U.S. Department of Agriculture today announced June 6 as the beginning of a two-week registration period for the Beef Research and Information Order Referendum and issued rules for the referendum.

Anyone who was a cattle producer during 1976 can register to vote, either in person or by mail, at local Agricultural Stabilization and Conservation Services (ASCS) offices between June 6 and June 17. A list of those who register will be posted daily at ASCS offices and a final listing will be posted five days after registration closes.

Those registered can vote between July 5 and July 16 at their ASCS office. For approval of the beef research and information order, at least 60% of those registered must vote, and two-thirds of them must favor it.

The order that producers will consider in the upcoming referendum would authorize a research and information program administered by a beef board of up to 68 producers. Board members would be appointed by the Secretary of Agriculture from nominations submitted by producer organizations. Each state or geographic area would be represented in proportion to its cattle production.

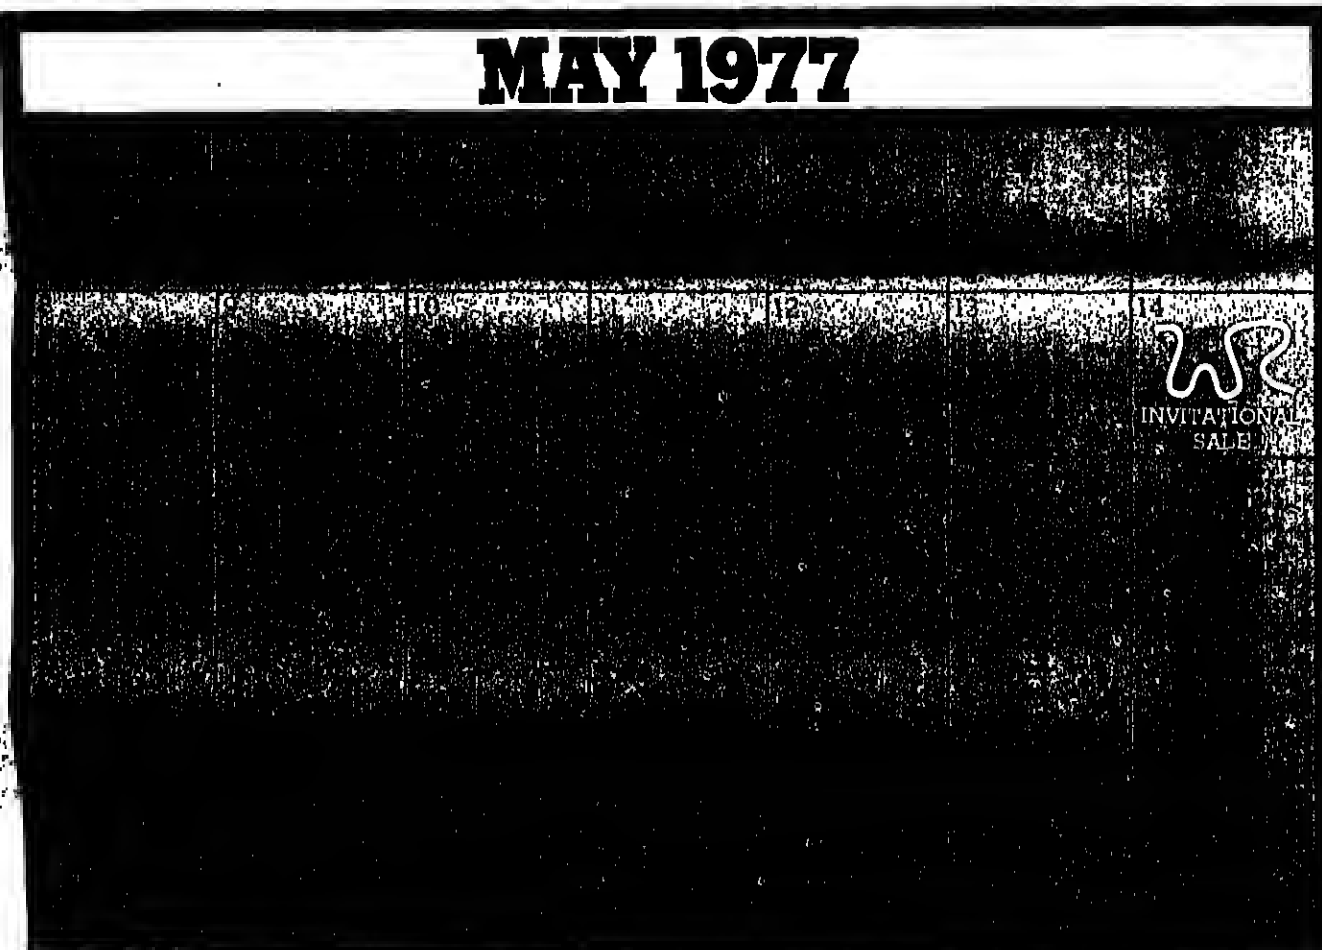

The Beef Board could initiate a broad spectrum of projects to improve beef production, distribution, and marketing. Such a program could include consumer education and information, and research.

During the first three years of operation, the Board could collect assessments of up to three-tenths of one percent of the value of all cattle sold. After that, the rate of assessment could be changed but could not exceed five-tenths of one percent — the maximum amount permitted to participate in the program could have their assessment returned.

The rules for conducting the referendum were scheduled to be published in the May 17 Federal Register. Copies (CONT. ON PAGE 2A)

MAKE YOUR MARK

MAY 1977

Mark your calendar to attend Winrock's Second Invitational Santa Gertrudis Sale to be held May 14 at Winrock Farms on Petit Jean Mountain.

There will be 10 bulls and 40 pair offered for sale by Bobby Shelton and Joe Maurin's Los Jabonillos and Spanish Creek Ranches, both headquartered at Corpus Christi, Texas; and Winrock Farms, Inc.

This is your invitation to attend Winrock's second invitational sale of quality Santa Gertrudis cattle.

For information and catalogs, write Winrock Farms, Route Three, Morrilton, Arkansas 72110, or call 501 727-5421.

Feeder Heifers: Few choice 390-400 lbs. 36.75-38.90, 400-500 lbs. 33.30-35.75, 600-700 lbs. 32.70-35.20. Mixed good and choice 400-800 lbs. 31.00-33.50. Slaughter Cows: Utility 1-3 25.50-27.90, cutter 1-2 23.00-26.00. Bulls: Yield grade 1-2 1200-1600 lbs. 22.50-32.00.

Texas Screwworm Cases Total 13

Mission, May 13 — Five laboratory identified samples from Hidalgo, Kinney, McMullen counties during the first half of May brought the 1977 Texas screwworm case count to 13, says Dr. James E. Navy, the veterinarian in charge of field operations says this compares to 1,337 cases by May 13 last year. He credits much of the improvement to close observation of livestock and speedy case reporting by ranchers.

Uvacek Sees Some Improvement In The Cattle Outlook

College Station—Some improvement in cattle prices this spring and summer appears not only possible, highly probable, says livestock marketing specialist with the Texas Agricultural Extension Service.

Dr. Ed Uvacek points out that the improved outlook is a result of lower beef production, some decreases in pork output, and further increases in population and disposable income.

Sioux Falls Feeders Higher on Monday

Sioux Falls, May 17 (USDA) — Receipts 3,100. Feeder steers sold steady to 1.00 higher; leader heifers steady to 1.00 higher. Instances 2.00 higher on 500-700 lbs. Feeder Steers: Few lots choice 390-500 lbs. 45.25-47.25, several lots choice 500-600 lbs. 41.25-45.25, moderately fleshy 600-700 lbs. 39.35-42.75, moderately fleshy to fleshy 700-800 lbs. 36.50-41.00, mostly 39.50-40.70, moderately fleshy to partly fattened 85.00-40.50, mostly 33.50-40.50. Heifers: Choice 375-500 lbs. 33.50-40.10, 500-600 lbs. 32.55-33.75, moderately fleshy to fleshy 600-700 lbs. 35.00-37.90, moderately fleshy to partly fattened 700-800 lbs. 32.20-37.50, couple lots 310-388 lbs. 36.00-38.50, mixed good and choice 397-800 lbs. 33.75-38.00, 800-700 lbs. 34.10-35.30, good 655-700 lbs. 32.75-34.50, 700-800 lbs. 34.10-35.40.

Replacement Cattle Sag, Follow Last Year's May Pattern

Kansas City, May 13 (USDA) — National Feeder Cattle and Calf Summary: Approximately 132,000 this week; 237,000 last week; 165,000 last year. Feeder cattle and calves sold steady to 3.00 lower across the nation. This is the second straight week of moderate to sharp price declines.

While some points trimmed both calves and yearlings the most and concentrated pressure on was on fleshy yearling steers over 700 lbs. and heifers over 600 lbs., this in sympathy with the lower prices on finished cattle.

Last year the price movement paralleled this year with moderate to sharp price drops on feeder cattle during the first two weeks of May and last year the decline extended into the third week of May.

Grading is off to a good start but there still is concern about stock and pond water, particularly later in the season. Feeders appear to be ample to abundant with much conversation about shifting more wheat to livestock feeding.

River Terminals: 29,000; Steers: Choice and including prime thin and frame 400-700 lbs. 42.00-47.25; choice 42.00-47.25.

Cattle on Feed

(CONT. FROM PAGE 1)
compared with 121,000 in April last year. Movement out of feedlots to early pasture was heavier than usual for the month of April.
Estimates in this cattle on feed report are based on data provided voluntarily by cattle feeders. The Statistical Reporting Service maintains an up-to-date list of cattle feeders classified by feedlot capacity. Data are collected by mail and

by personal and telephone interviews on or about the 1st day of each survey period. Survey procedures are designed to obtain reports from all feeders in the larger size strata, and feeders in the small size strata are sampled. Of the total inventory of cattle on feed for the report 07 was actually reported in the survey.
State by state totals of cattle on feed and inbound feeders May 1 include:
Arizona reported 344,000 on feed

May 1, which was 84% of last year. Placements totaled 89,000, or 114% of a year earlier.
California had 697,000 cattle on feed, or 99% of a year earlier. Placements totaled 197,000, or 129% of a year ago.
Colorado reported 684,000 head on feed, 90% of last year. Placements of 238,000 head were 120% of a year earlier.
Iowa with 1,310,000 on feed, represented 94% of a year earlier.

Page 4A WEEKLY LIVESTOCK REPORTER May 19, 1977
Placements at 180,000 were only 78% of a year earlier. Only Iowa and Nebraska reported declines in cattle placed on feed in the May 1 report.
Kansas had 1,190,000 on feed, which was 99% of the figure a year earlier. Placements at 310,000 were 107% of last year.
Nebraska reported 1,380,000 on feed, which was 100% of last year at this date. Nebraska was the only state in the list of seven monthly reporting states to show an increase in numbers on feed. Placements at 300,000 were

Don Gamel's Broken Arrow Angus Heavily Endowed With Wye Breeding

Glen Rose, Texas—Don Gamel is a man of widely varied interests, but one of his most serious interests is his Angus cattle and the breeding program which has earned a wide reputation as a leading herd of the breed.

Gamel's Broken Arrow ranch covers 2,007 acres near Glen Rose and runs about 150 breeding cows and heifers. About 985 acres of the ranch has been cleared and re-seeded to native blue stem, elite oats, Little Indian grass and KB bluestem. About 400 acres of the ranch are surrounded by an 8 1/2 foot high fence inside of which is an exotic game preserve which provides a sideline income for the ranch from hunters who like having an African trophy in their den without the need for going to Africa.

Gamel's trophy room is about the first place every guest is taken to see mounted Fallow Deer, Mutton sheep,

Audud Sheep, Sahe Deer, Black buck antelope, Axis deer, white tail deer and red stag, all of which inhabit Gamel's preserve. The room also contains trophies of two Safaris to Africa in 1970 and 1978.

Broken Arrow ranch also has 140 acres of Coastal Bermuda which is used mainly in the summer to rest the other pastures.

Gamel started with Angus in 1964 when he purchased the ranch at Glen Rose with a commercial herd of 25 cows and a bull, and turned to registered Angus in 1966 when he heard an advertisement for a Mid-Texas Angus Aeon sale on a radio one morning, and went to it and purchased some cattle.

He then bought a son of Colossal, a grandson of Eva's Bardolier, and bought in partnership with Dr. L. G. Ballard, Granbury, Whitney Bardolier-Hermes 51st, a son of O. Bardolier-

Posing in front of their newly completed sale barn at the Broken Arrow Ranch, Glen Rose, are W. D. Youngblood, manager, left, who has been with the ranch 22 years, and Don Gamel, right, owner. "Youngblood is a pretty ingenious man who can do any job that needs to be done around a ranch," says Gamel.

"If they don't raise a good calf every year, they go to the butcher," is Don Gamel's philosophy at his Broken Arrow Angus Ranch at Glen Rose. Obviously this cow is likely to stay around a long time.

mere 2nd, considered one of the greatest breeding bulls ever born in America.

When the crossbreeding fad hit the beef cattle industry, Gamel tried some of that with Charolais and Brown Swiss on his Angus, but never quit raising registered Angus. He believes crossbreeding is a good tool to use in beef production, but to assure integrity of his Angus, he keeps a 400-acre pasture with good fences—between his cross cattle and his Angus.

More recently, Gamel went to Wye Plantation in Maryland and bought his main two present herd sires, Power-

house of Wye, a son of Lodge of Wye, and Qualbert of Wye, a son of Fornosa of Wye. Lodge and Fornosa are considered to be two of the best sires of the Angus breed. To make maximum use of the two Wye bulls, Broken Arrow breeds for about 18 or 19 days beginning about Dec. 1 each year by artificial insemination, then turns the bulls in with the cows artificially exposed to him to let him do his own clean-up work.

In the last three years, Gamel has bought on a very selective basis, some outstanding cattle with a high concentration of Wye breeding by such bulls as Amor, Barnabas, Courage, Georgius of Bar, Bonanza, LaFayette

Livestock Raising And Worm Farming Go Together Naturally!

"If you raise livestock, you have two of the three things required for successful earthworm farming and year around profits...land and manure!

One 3' x 8' bed of 60,000 earthworms doubles in population in only 60 days and you get a guaranteed contract to buy all worms you raise in a non-competitive market.

Get complete details on ways this booming market is earning steady profits for growers in your area. Just call 512/657-0133 or return the coupon today!

Goodnight-Moon Angus Sale Set For May 28 At St. Louis, Okla.

St. Louis, Okla.—The Goodnight-Moon Angus Ranch Production Sale and the Moon Angus Farm Complete Dispersal will be held Saturday, May 28, 1977. Sale time is 1:00 p.m. at the Goodnight-Moon Angus Ranch at St. Louis, Okla.

Eighty lots of Angus cattle will sell for a total of 120 head. Included in the offering will be 40 pairs, most 8-in-1 combinations, 3 bred cows, 21 bred heifers and 8 open heifers. The sale features the get and service of Elhan Bardolier 9 of Goodnight, Elhan 118 of Goodnight, Elhan Bardolier 110 of Goodnight, Elhan Bardolier 38 of Moon, Elhan Bardolier 329 of Goodnight and other great Elhan Bardolier bulls.

A special offering in the Moon dispersal will be the sale of the entire Sue Family.

Eight bulls will sell including a

Vernon C. Howell Heads Nominating Committee For TAA

Tyler, Dr. J. T. Pinkerton, president of Texas Angus Assn., has appointed Vernon C. Howell, Dallas, chairman, Roland Burrows, Alvin, Dr. Hulon J. Cook, Jr., Wichita Falls, and Jerry Williams, Lockney, members of a nominating committee to recommend members for election as officers and directors of the association for 1978.

"This committee earnestly seeks the participation of the membership in its search for directors and officers who are most capable and willing to serve the association," Howell said.

Any member who has any suggestions or recommendations to make to the committee should mail those names to Vernon C. Howell, Chairman, 2110 Mercantile Bank Bldg., Dallas, Texas 75201.

It is estimated that United States farmers will produce about 80 million head of swine for slaughter in 1977, about 18 million pounds.

Keeney's K Bar A Abangomere Eston Angus Sale, May 21

SANTA GERTRUDIS NEWS

The Santa Circuit

BY BUDDY SMITH

There's an old saying, "Sometimes you can't see the forest for the trees." This seems to be the unconscious situation of many purebred breeders. We forget that our work and effort should be toward producing a better, more efficient, product for the commercial cattle industry. Jim Theobald, manager at Mayfair Ranch, Brenham, is an exception. Not only is Mayfair in the purebred Santa Gertrudis business, they also produce F1 Braford, Brangus, and Santa Gertrudis cross females. However, they go a step further by running several hundred F1 females with performance tested Santa Gertrudis bulls of their own production.

Keith and Betty Cosgrove, Coalgate, Okla., and Joe Smith and Tucker Blair, commercial cattlemen from Walker County, joined me in attending Mayfair's Bluebonnet F1 Heifer Sale. I wanted them to see first hand what a big red bull could do on a Braford cow. Mayfair is producing an outstanding three way cross calf. If you want to merchandise your purebred product, I suggest you visit Mayfair Ranch and see first hand how they're getting it done. Incidentally, Jimmy will have some of his F1 cows with Santa calves on display at the Mid-Coast Santa Gertrudis Association's Field Day, May 28, at Bob Spearman's Cedar Creek Ranch, Caldwell, Texas.

The S.G.R.A. Youth Endowment Fund is growing every day. Four G Ranch donated the proceeds from their Super Sale animal to the fund, and directors B. K. Johnson and Bill Blakemore just recently made sizeable contributions to the fund. We have a goal of \$200,000, and donations keep coming in. It won't take us long to reach it. Proceeds from the fund will go to pay premiums at the youth shows.

Several Santa Gertrudis sales are coming up shortly: the Premier Santa Gertrudis Sale is May 21, the Kansas Santa Gertrudis Sale is June 1, the Oklahoma Association Sale is June 4.

Mid-Coast Santa Gertrudis Sale
June 11, Brenham

Brenham — Dan Wendt, Bay City, has announced the Mid-Coast Santa Gertrudis Association will hold its annual Spring Sale here at 12 noon, on June 11.

Joe Marchman, left, and former Texas Governor John Connally join forces planning the Western Heritage Sale to be held in the Shamrock Hilton Hotel at Houston on Aug. 6. The ballroom sale will feature top Santa Gertrudis cattle, Quarter Horses and western art.

Western Heritage Sale Aug. 6 Features

Santa Gertrudis Cattle, Horses, Art

When the Santa Gertrudis 25th anniversary celebration was held last year with the famous "Bulls in the Ballroom" sale, no one would have thought the occasion could ever be topped. Everyone said, "Where else but Texas would you find cattle displayed along side fabulous works of Western art, all to be auctioned off at a black tie dinner inside the ballroom of a famous Dallas hotel?"

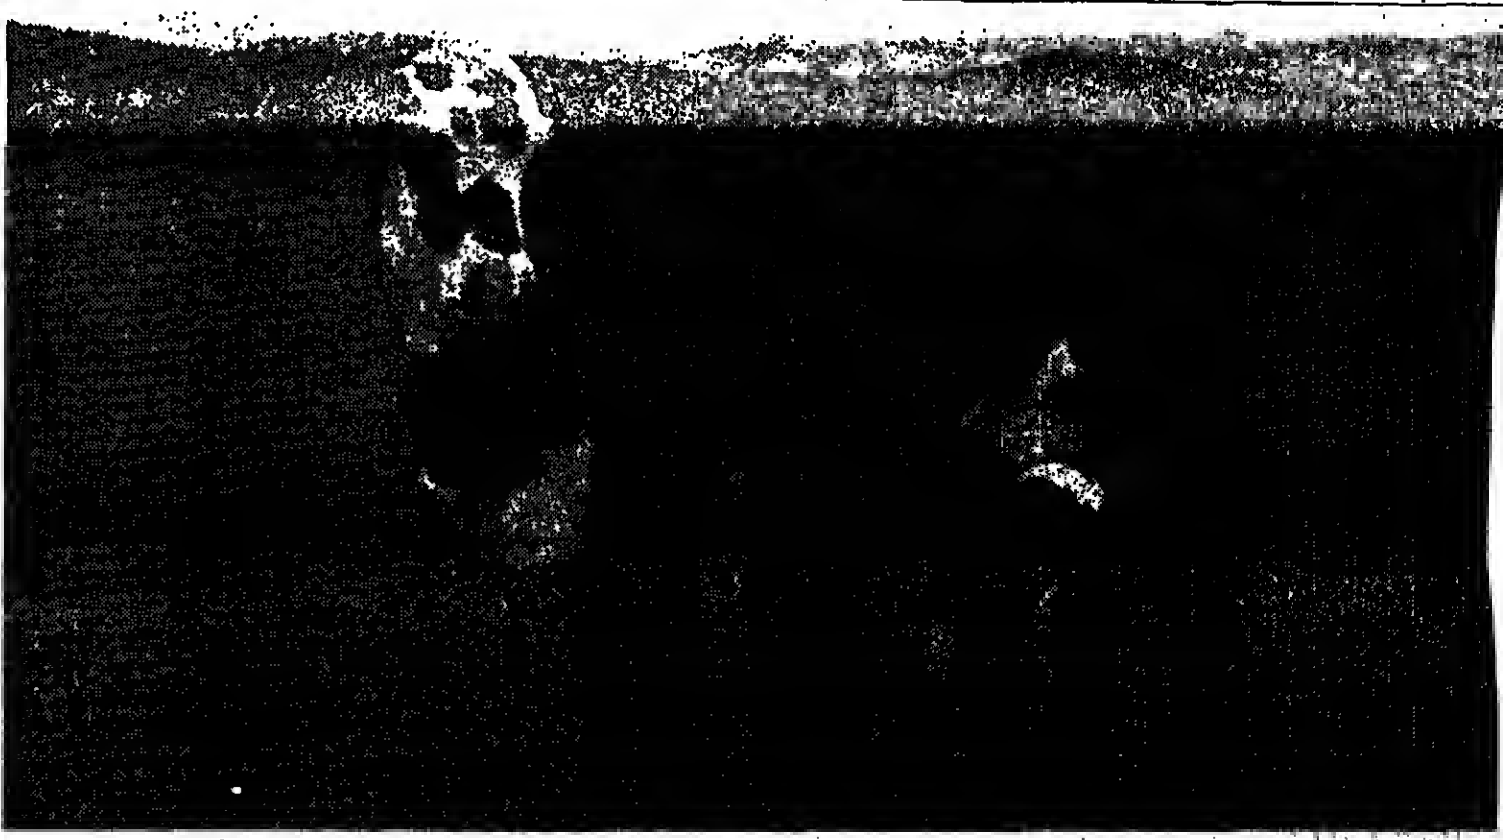

Guests from all over the United States, Central and South America, and South Africa had been invited. And they came—celebrities, distinguished citizens, breeders, ranchers, art connoisseurs and other notables—to enjoy the festivities and novelty of the event and to come away with some truly remarkable purchases. Former Texas Governor John Connally served as master of ceremonies at the affair, and the auctioneer was Gerald Bowles.

What more could there be to surpass this event? Well, another

Texas extravaganza is planned for Saturday, August 6, 1977, and this year's gala promises to be even more spectacular than the first. The 1977 affair will have a new dimension, a new name to reflect that dimension, and a new location. In order to represent the true Western way of life, it was only fitting that the horse, long recognized as having major role in making the cattle industry what it is today, be included in this exclusive auction. To accompany the fine Santa Gertrudis, the first breed of cattle ever developed in the United States by the King Ranch, the obvious equine breed choice was the Quarter Horse, a breed also originated in the United States specifically for the versatility needed in ranch work. The Western artist will be reflected in the art pieces offered.

To encompass this overall way of life, the event will be called the (CONT. ON PAGE 14A)

What to expect from a double cross.

A Montana Rancher's first Santa Gertrudis — Hereford cross and her second cross calf.

One Montana Rancher is finding out. And he's doing it successfully by mating King Ranch Santa Gertrudis bulls to first and second cross Santa Gertrudis-Hereford females. Out of his first set of heifers, his steer calves weaned out at an average of 497 pounds. The heifers at 478 pounds. The mothers, then bred back 94% safe in calf. Not bad at all. As virgins they had 90% breeding percentage.

As an added bonus, the same rancher reports that each year his first cross calves have weaned heavier than straight Hereford calves from the same cows.

This rancher is not alone. From the mountains of Montana to the tropics of Florida, cattlemen are benefiting from the same kind of performance. Performance that springs from over 50 years of careful genetic engineering by the King Ranch. The people who created the breed.

For more information, contact the King Ranch or one of the nationwide properties nearest you. You'll find there's a wide variety of King Ranch bulls on sale at private treaty. Most of them at prices that make it easy to pull off a near perfect double cross.

KING RANCH
By now, we should know.

Founded 1883 □ For the Ranch property nearest you, contact R. F. Marshall (817) 899-4111, □ or write to the King Ranch, King Ranch, Texas 79523.

"Lucky" Bob Spearman Will Host Santa Gertrudis Field Day May 28

Caldwell, Texas — Bob Spearman's Cedar Creek Ranch, six and one-half miles east on Highway 21, then half mile north on Farm Road 1938 on the left will be host to a Mid-Coast Santa Gertrudis Field Day on Saturday, May 28.

It's a fitting setting for such an activity with its large barn, manicured lawns, and of course, a top set of Santa Gertrudis cattle to provide discussion and examples for speakers to use.

Some of those speakers will be Vernon Smith, Dallas, one of the owners of El Colina Ranches and president of Santa Gertrudis Breeders International; Tom Mayes of the Texas Soil Conservation Service; Bob Wurzbach with Purina Feeds; Dr. John Beverley, extension specialist at Texas A&M University at nearby College Station; Jim Theock, manager of Mayfair Ranches at Brenham and president of the Mid-Coast Santa Gertrudis Assn. and others.

There will be a judging contest for both adults and juniors followed by a barbecue lunch during which winners of the judging contests will be awarded plaques.

Spearman says this field day is being directed toward commercial cattlemen, and that more than 200 persons have already indicated interest in attending.

For commercial cattlemen, Theock's talk will hold particular interest because he manages one of the larger herds of registered Santa Gertrudis and an even much larger herd of commercial F-1 Brahman cross cattle to which Santa Gertrudis bulls are bred.

Theock will have some of the F-1s from Mayfair on display, and Allen Karuth, Bellville, will bring some commercial Santa Gertrudis and F-1 cows and Santa Gertrudis bulls for display and discussion at the field day. Karuth's cows will show what commercial Santa Gertrudis cows produce when mated to Hereford bulls.

"We believe commercial cattlemen will be surprised at what they see as the result of crossbreeding, both ways, with Santa Gertrudis," said Spearman.

This access will greet guests to the Mid-Coast Santa Gertrudis Field Day at Bob Spearman's Cedar Creek Ranch near Caldwell May 28. It is the home of Bob and Pat Spearman.

One of Bob Spearman's Cedar Creek Ranch Santa Gertrudis heifers stands proudly in front of the large barn which will be focal point of the Mid-Coast Santa Gertrudis Association's Field Day May 28 near Caldwell.

"The 'Gert' cows produce outstanding calves when crossed with bulls of other breeds, and 'Gert' bulls produce long-bodied, light-weight calves at birth that cause no calving problems, but grow out rapidly and weigh a lot when they are finished in," Spearman said.

Spearman considers himself to be more lucky than smart. For instance, during the early 1960's, he and a friend each put up about all the capital they could raise, \$100 each, and went into the home building business. Now they are the two largest construction men in the Bryan-College Station area.

Luck, along with good trading ability, has enabled Spearman to buy, develop, trade and sell land in this Central Texas area to a point where he now raises Santa Gertrudis on just under 1,000 acres of land in two nearby places between Caldwell and Bryan. The land is well cleared and soddied to prolific grasses. Spearman has earned the nickname "Shredder" with his close associates because of the vengeance with which he shears any weeds which crop up in his pastures.

"Luck," Spearman says also contributed to his becoming involved with Santa Gertrudis. He was running some mottled-faced commercial cows with different breeds of bulls, including Santa Gertrudis, and noticed that the "Gert" bulls produced small, wiry calves that caused no calving problems.

The cattle population in Texas numbers the human population by several million and ranks as the state's leading dollar producing crop.

Bob Spearman is shown with some of the 26 Santa Gertrudis bulls which have just completed a Texas A&M University extension service supervised gain test on Cedar Creek Ranch on a high roughage ration in which the two top bulls averaged 3.2 pounds gain per day for 140 days, with overall cost of gain being 4.4 cents per pound.

He actually started in the Santa Gertrudis business in 1970 because a brother of his had success with the "Gerts" in New Mexico in an area which will test any breed of cattle. He has a La Paloma bull with strong Winrock Farms breeding.

Bob Spearman

(CONT. FROM PAGE 12A)

Santa Gertrudis heifers at different places, but his main initial acquisition was purchase of the D. L. Johnson Santa Gertrudis herd No. 499 at Dallas.

Success of Spearman's breeding program is demonstrated by the fact that when SGBI classifiers inspected his new heifer crop in April, they put the "B" brand on 70 of the 72 heifers, and "B-Bar" on only two. Some Santa Gertrudis breeders consider 85-90 percent "B's" to be good, Spearman said.

Luck, and development of one of the top herds of the breed, has enabled Spearman to sell cattle all over the world. In 1974 he sold 84 cows with calves at \$1,100 per pair to buyers from South Africa and shipped them by air from Houston. He has sold other cattle to buyers in Mexico. But Spearman considers his most important customers to be commercial cattlemen, many of whom have become repeat customers for his bulls.

"Luck" for Spearman, as for most people, is a carefully engineered result of planning. For him, too, it's been acceptance of good advice from such people as the Soil Conservation Service, Extension specialists, and others who specialize in how to properly utilize land.

"Luck" Spearman accepts. "Smart" he leaves to his son Mark, who is a graduate student and instructor in physics at Iowa State University, and his daughter, Gissy, who works with the Texas A&M Univ. Extension Service at College Station.

R. P. Marshall and Bobby Shelton, both of King Ranch, Kingsville, are shown discussing the successful Winrock Farms Santa Gertrudis Sale May 14 at Morrilton, Ark. Forty lots averaged \$3,400. King Ranch purchased this bull for \$30,000 for their Buck and Doe Farms in Pennsylvania.

One of Spearman's hard acres is shown above. He's from La Paloma Ranch and carries strong Winrock Farms breeding in his pedigree.

Theock To Head Mid-Coast Santa Gertrudis Association

Jim Theock of Brenham, was elected president of the Mid-Coast Santa Gertrudis Assn. at the organization's annual membership meeting held in Houston, February 21.

Bill Gibson of Houston was elected vice-president; Norvel Sells, Hempstead, secretary and Elizabeth Quick, treasurer.

Directors of the Assn. are George (Red) Novak, Houston; Randy Leffette, Alamo; Bob Spearman, Caldwell; Winrock Jacoby, Cypress; Dan Wendt, Bay City; Dan Moran, Brenham; E. J. Schwarz, Houston; A. C. Spencer, Huntsville; Richard Hodd, Franklin; R. J. Hapcock, Houston; Ed Morgan, Plumb; and Harlan Cochran, Livingston.

Members voted to accept the invitation of Bob Spearman to hold their summer meeting and field day at his Cedar Creek Ranch near Caldwell, May 28.

Committee appointments are General Chairman for the sales committee is Richard Hodd, and serving on a subcommittee for the spring sale are Wendt, Chairman, Norvel Sells, Hempstead; C. Hubert Stone, Madisonville; Bill Heiligbrodt, Houston and Winrock Jacoby, Cypress.

Hodd will chair the screening committee for the Super Sale, Brenham, and Keith Cosgrave, Coalgate, Okla. comprise the Committee.

Morgan and Fard Brooks, Franklin, are in charge of advertising and promotion.

The Field Day Committee is made up of Spearman, Chairman; J. Moran, Brenham; Morgan, and D. W. (Buddy) Smith, Huntsville.

Schwarz will chair the By-Laws Committee, working with committeeman Lake Robertson, Jr., Houston; Michael Dean, Palestine; Lefte, Bill Ku-beck, Palestine; and Cochran.

Youth activities will be handled by Mrs. George Novak, Houston; and Jerry Hemphill, Cypress, Co-Chairman. Lefte; Gene Hicks, Crosby; Doug Brod, Houston; Junior Assn President and Joy Spencer, Huntsville, Junior Assn. Secretary.

George Novak, Houston, will head The Entertainment Committee. Quick; Cochran; Hancock; and Heiligbrodt make up the committee.

The Membership committee, chaired by Sells, is composed of Fort L. Brooks, Franklin; Bill Gibson, Robert C. Harris, Dime Box; and Richard Terry, Bellaire.

George Novak is in charge of Public Relations.

NEWS about LIMOUSIN

Around The Limo Loop

By: KEN HOLLOWAY & BRUCE BROOKS

Limousin are on the move. . . just take a look at the many sale reports from the past six weeks. Yackley Ranch's sale where 84 percentage bulls (7 two year olds and 77 yearlings) averaged \$1012 is a good example of acceptance of the popular Limousin percentage bulls. The Derochie-Coyote Hills Ranch was equally successful where 25 fullblood bulls averaged \$8194 and 44 percentage bulls averaged \$860 going to 42 buyers from ten states. "Continuance of Excellence" Sale featured an outstanding set of weaned fullblood calves that were readily received, averaging \$8400 on 27 bull calves and over \$9000 on 12 heifer calves. Auction sales with action and wide acceptance by cattlemen new to the Limousin business tend to renew one's confidence in Limousin cattle.

The Texas Limousin Assn. will again sponsor Junior heifer shows at Dallas and Fort Worth and possibly San Antonio. All heifers must be 37% or more Limousin, solid red, born January 1, 1976 or later and conform to all other rules of these particular livestock shows. For more information contact Bob Brown, Quanah, Texas. 817-889-4486.

The TLA will also sponsor a Limousin bull sale in the early spring of 1978. These bulls must be born between September 1, 1976 and February 1, 1977, to be eligible for this sale. These bulls should be at least 75% Limousin and will be fed at one location, as near to the sale site as we can find. There will be a \$50 entry fee charge that is due and payable at the time you commit your entry to the sale, with another \$50 to be paid at the time of delivery. Minimum adjusted weaning weight of 475 lbs. and all bulls will be screened by a committee at the time of delivery. There is no color restriction. Ray Sims, Baird, Texas 79504, is chairman of the bull sale, so drop him a line or give him a call and tell him how many bulls you want to put in the sale. There is a limit of no more than five head per breeder. Hope to see you around the "Limo Loop" at the many upcoming events.

Miss McMains Is Oklahoma Limousin Queen for 1977

Sherry Ann McMains, 17, daughter of Mr. and Mrs. Howard McMains of Nowata, Oklahoma is the 1976-77 Oklahoma State Limousin Queen. Sherry is a senior at Nowata High School, where she is a member of the Student Council, the Principal's Honor Roll, and has been all Conference in basketball 2 years. She is a member of the Nowata FFA chapter and holds the title of FFA Sweetheart and secretary and has won several FFA awards. Sherry has shown Limousin cattle at the state and national shows, had the grand champion and reserve champion cross-bred heifers at the Nowata Fair for the last 3 years, shown the champion steer at the Spring Livestock Show and won the Showmanship trophy at that show 2 years. Sherry plans to attend OSU in the fall.

O'Brien Farms Sets Limousin Sale in Missouri, May 28

Pineville, Mo. — The O'Brien Farms "Power Packed" Limousin Production Sale will be held Saturday, May 28, 1977. Sale time is 1 p.m. at the ranch at Pineville, Mo. on Hwy. 71. Lunch will be served at the ranch at 12 noon. Selling will be a fullblood Limousin bull, a 7/8 cow with 15/16 heifer calf, 2 bred 7/8 heifers and 2 open 7/8 heifers. The offering will also include 2 - 3/4 blood cows with 7/8 calves, 15 bred 3/4 cows, 15 open 3/4 cows, 11 halfblood cows with 3/4 fall heifer calves and 11 halfblood cows with 3/4 fall bull calves.

Auctioneers will be C. K. "Sonny" Booth and Bruce Brooks. Sale headquarters will be the Shengri La Motel, Anderson, Mo. For catalogs and information contact the sale management, American Cattle Services, Rt. 2, Chantanooga, Okla. 73628, 406/385-3006; or Don O'Brien, 417/223-4841; or John O'Brien, 417/223-4175. O'Brien Farms address is Box 784, Pineville, Mo. 64866.

WIGGINS RANCH CO.

HAPPY HILLS RANCH COYOTE HILLS RANCH
RIVERBEND RANCH GATOR HILLS RANCH

Dear Friends:
We are proud to announce the renaming of our Llano River Ranch, London, Tx., to Riverbend Ranch. We are doing this in honor of the purchase of Bud McBride's Riverbend Farm purebred Limousin herd. We think this is one of the finest cow herds anywhere and it includes, to name a few, such great cows as Glorie, the dam of Riverbend Eclat and Riverbend Glorie, the 1976 Champ. Purebred Female at the Nat'l Western. Also such great females as Harnelle, dam of the Griffin Ranch herd sire and Harmonica, who now has a Fantaron heifer calf. The list goes on. . . .
These tremendous cows have proven themselves in the Riverbend herd and will join other superior cows at Rio Vista Genetics, San Antonio, Tx. In a short time the transplants out of these great cows will be for sale, and we invite your inquiry for further information regarding the purchase of what we know will be an unsurpassed group of calves.
Sincerely,
Derrell & Neil Wiggins
Wiggins Ranch Co.

Pfluger Puts Texas Limousin

Association In The "Black"

Pflugerville, Texas—Willard Pfluger is a very busy man—just the kind always highly in demand by organizations which need responsible and active leadership because they devote as much of their energies to association business as to their own. That's one of the reasons Pfluger is now serving his second term as president of the Texas Limousin Assn.

Another good reason is that he has been successful at the helm of the Association—it's now in the "black" due largely to Pfluger's efforts. "Any organization or association can't be active if it's broke or in the red," Pfluger says. So when he was elected president, one of his first acts was to get out letters "pretty stiffly" worded to members whose dues were delinquent. "Some of them got kinda mad, but we got a lot of money in, and the association now has money in the bank—and a roster of members who are interested and active," he adds.

"Having money in the bank isn't easy when you have a year like the one just past, when thank God, every major steer show in Texas and many of the county and regional shows, were won by Limousin cross steers."

A herd of cattle geared to compete with the best! A proven group of halfblood, 75% and Purebred Limousin females producing calves by ECLAR, FANFARON and LONGFELLOW. . . . Cattle that will make your herd, too. COMPETE WITH THE BEST!

FOR SALE: October & November 3/8 and 7/8 Calves by ECLAR, FANFARON and LONGFELLOW.

Wiggins Ranches In Texas New Manager To Be Keith Lloyd

Cleveland, Tx. — Darrell and Neil Wiggins of Wiggins Ranch Co. are proud to announce the addition of Keith Lloyd as ranch manager for the Wiggins Ranch Co. Texas herds. As of June 1, Lloyd will take charge of all Wiggins Limousin at the Happy Hills Ranch, Cleveland, Tx.; Gator Hills Ranch, Marble Falls, Tx.; and the newly renamed Riverbend Ranch, London, Tx.

Keith is no stranger to the purebred cattle business or the Limousin business. For the past eight years he has been involved in artificial insemination work in purebred herds and for the past four years has been directly involved in Limousins. Lloyd's first involvement with Limousins came four years ago when he became ranch manager for Hays Mitchell's Lone Oak Ranch and more recently he has been in charge of the transplant operations for the highly successful Deux Amis herd of French Limousin, Luling, Tx.

Wiggins Ranch Co. is very excited upon the acquisition of such a qualified and experienced cattleman and feel that Keith Lloyd will be a valuable asset to the Wiggins Ranch Co. Texas herds.

Keith and his family will be moving shortly and can be reached at Rt. 3, Box 157, Cleveland, Tx. 77327, phone: 713/362-2821.

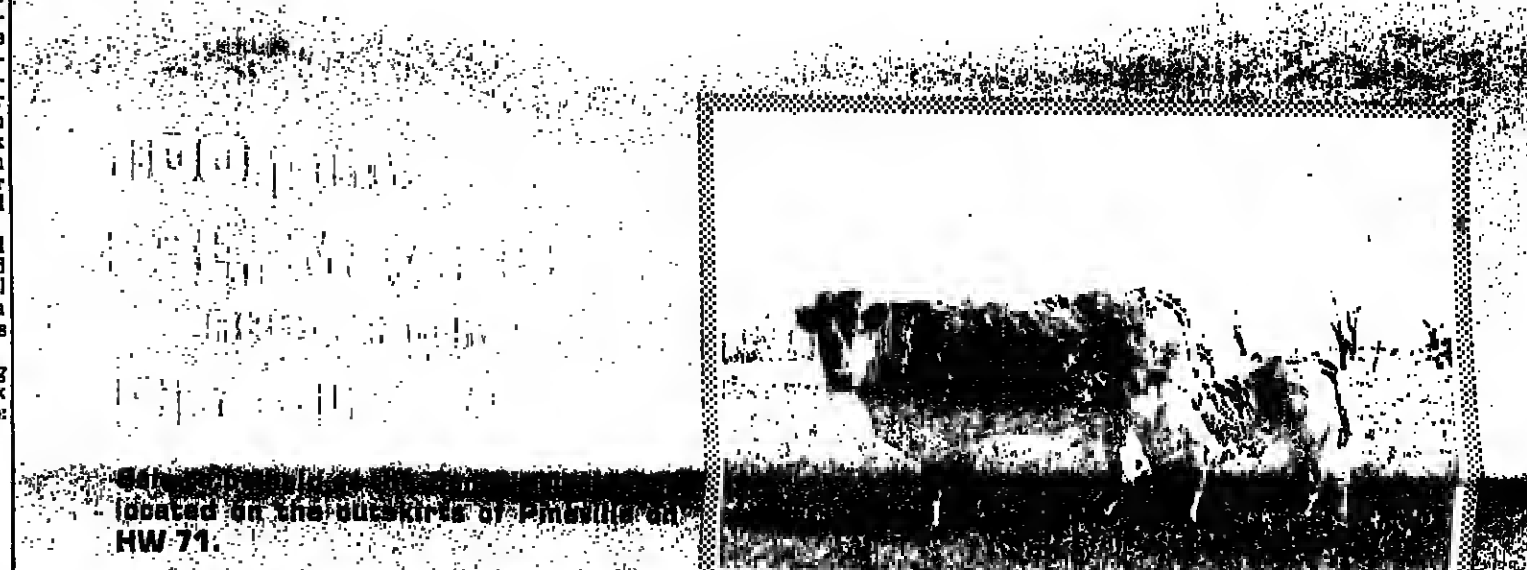

Joe Lewis Will Instruct At Bates Ranch Field Day

Limousin Bull-A-Rama

McMains Limousins
Average \$542
Nowata, Okla. — McMains Limousin Cattle Co.'s third annual "Sell-A-Rama" at the Coyote Hills Ranch near Here May 1 grossed \$114,905 on 68 bulls for an average of \$1,688. The sale was managed by American Cattle Services, Inc., Chantanooga, with C. K. "Sonny" Booth, Miami, and Bruce Brooks, Ardmore, Okla., as auctioneers. Twenty-five fullblood bulls brought \$76,850 for an average of \$3,114; 10 seven-eighths bulls grossed \$3,905 for an average of \$390.50; and 34 three-quarter bulls brought \$35,150 for an average of \$1,034.

The Coyote Hills Ranch topped the sale with a bid of \$9,400 for CRR 178, a Dec. 15, 1970 Limousin sire, and Happy Hills Ranch, Cleveland, Texas, took the second high seller at \$4,900. Both purchasing ranchers are owned by Mr. and Mrs. Darrell Wiggins, Cleveland.

Beaver Creek Limousin Ranch, Leoti, Kas., purchased the third high seller for \$4,250; and Roy Book Limousin Farm, Schulenburg, Texas, got the fourth high seller for \$4,000. Jim Edwards, Houston, bought the next high selling bull for \$3,950.

All the fullblood bulls were consigned by Derochie Ranches, owned by Merle J. Derochie, Calgary, Alta., Canada. The percentage bulls were owned by Ken Holloway, Chantanooga, who recently sold the Coyote Hills Limousin herd to Wiggins. They sold to a strong demand, mostly to commercial cattlemen and many of them to Texas.

The high selling percentage bull went to Jack McCarey, Chantanooga, for \$1,900. Next high percentage bull went to Clarence Marek's Char-Mar Farms at New Tim, Texas, for \$1,200. Char-Mar specializes in breeding club calf prospects. Three other percentage bulls sold for \$1,100 or more.

Hayes Mitchell's

Limousin Sale
Averages \$603
Luling, Texas — The Hayes Mitchell Cattle Company's dispersal of percentage Limousin cattle, with guest consignments from Rio Bravo, Inc., Del Rio, Texas, was held at the Hayes Mitchell Ranch, Luling, Texas, May 12. Three pure Franch lots sold for an average of \$3,668; five seven-eighths open heifers averaged \$558; 38 three-quarter cows with seven-eighths calves averaged \$770; seven open three-quarter females averaged \$302; and 42 bred three-quarters averaged \$483.

In the sale, 17 bred halfbloods with three-quarter steers calves sold for an average of \$772 per lot, with many of the calves selling separately as club calves. Savatene brood halfbloods with three-quarter heifer calves averaged \$567; 12 halfblood cows with baby calves averaged \$453; 17 bred halfbloods averaged \$856; 18 percent-age bulls averaged \$844; and 28 club calf prospects averaged \$342.

David Haas purchased Daux Amis Halper, the high selling bull for \$8,500; and Darrell Wiggins Ranch Co., Cleveland, bought the high selling female, a full-Franch cow, for \$8,500. Wiggins also bought the top open

Doelsson Cattle Co., Tampa, Fla., paid the sale's top price of \$9,500 for a May 6, 1976 fullblood bull yearling, MH Primetime, and Lassard Heaves, Norman, Okla., got the second high seller, another fullblood bull yearling, MH Royal Cast, for \$6,600.

O'Brien Farms, Plaville, Mo., bought the fullblood bull yearling, MN Aggressive, for \$5,600; and Wiggins Ranch Co., Cleveland, Texas, bought an Aug. 4, 1976 fullblood bull for \$5,100. Wiggins Farms, Cincinnati, Ohio, took the three top selling female lots, one lot for \$3,000 and two lots for \$4,800 each. All were fullbloods born in April and May, 1976. Darrell Wiggins' Llano River Ranch, London, Texas, bought the next high selling female, also a May 1976 heifer, for \$4,400.

Page 18A WEEKLY LIVESTOCK REPORTER May 19, 1977

HUNDREDS OF WINDMILL OWNERS CANNOT BE WRONG

Replace your steel pipe with our schedule 80 PVC plastic pipe. Forget about rust and deterioration that goes with steel pipe. Light weight and easy to handle. With our heavy duty plastic pipe, a plastic pipe installation is maintenance free. Schedule 80, heavy wall, plastic pipe is far superior than fiberglass. All our previous customers who have put plastic pipe in their windmills continue to buy about it. Available for immediate shipment in 2", 2 1/2" and 3" sizes. Ultrathin Plastic caps, no leak. Ultrathin Check-balls, and Ultrathin Rod-guides. Lifetime Tank Coatings for steel and concrete tanks, stops all leaks, prevents rust forever. Write or call for our literature catalog. This is our 27th year. We ship same day order is received.

Renie Robert Coveller de La Solle led on expedition across the Atlantic in 1684 to colonize New Orleans. Unfortunately his campaign failed. He missed New Orleans and landed in Texas. His faulty sense of direction was not overlooked by his followers who eventually killed him.

OOPS!

TEXAS

The right campaign in the wrong place can kill you.

Many a great campaign has died because it didn't get to the right place or the right people. When you advertise with EPA Audited (Business Publication Audit of Circulation, Inc.) magazines you know exactly whom you're reaching. EPA publications regularly update circulation figures, so your message gets to the people who can make your campaign a success.

EPA We count, so your ads will.

The EPA Audited magazines directed the action for this ad, with creative and production contributed by the agency and advertising members.

Babbling Brooks		
Limousins Avg. \$744		
Seneca, Mo.—Bob and Wretha Brooks, owners of the Babbling Brooks Limousin Ranch near here, grossed \$87,815 on 77 lots for an average of \$744 in their Limousin production sale May 7.		
Summary		
No.	Type	Avg.
2	Purebred bulls	2,950
1	Fullblood heifer	2,150
2	7/8ths cow with purebred bull calves	2,500
4	Bred 7 females	
8	Open 7/8ths females	
12	% cows with 7/8ths calves	
12	Bred % females	
11	Open % females	
8	Percentage bulls	
77	Total lots	
Wayne Aulden, Oak Grove, Mo., paid \$9,000 for BBR Mr. Eclair 103H to top the sale.		
Trips 8 Limousins, Holiday, Mo., bought the next high seller, BBR Mr. Eclair Embury 105H for \$2,900.		
Topping the females was the Cow		

Mow 100 acres a day!

You can with this new Rowse "Quick-Attach" Trailing Double Mower...two 9' cutter bars mow down 18 feet every swath—10.9 acres every hour (at 5 mph). (At 8 mph tractor speed, you can cut nearly 17½ acres per hour.) With the quick-attach feature, unhitch and hook up to rake or baler in minutes, too!

Rowse Quick-Attach Mower features:

- Tough, balanced-head drive. No pitmans—operates smoother with fewer maintenance problems.
- 100% cutting action. Sickles operate at 2,000 strokes per minute; knife sections don't over-ride guards so are always exposed to standing hay.
- Easy switch to transport position. Pulls easily behind your pickup, too.
- Available with 7' cutter bars. Rowse mounted double mowers available in 7' and 9' cutter bar lengths, too.

Rowse equipment makes hay—more profitable! For information on Rowse mowers and hydraulic rakes, write:

It could make things a lot better for all of us

815	BBR Miss Comet 9F at \$925 to Bill Horton, Natcho, and her purebred bull calf, BBR Mr. Prairie Pride 110H, going to Lewis Amier, Jerald, Mo., for \$1,000, for a total of \$2,925.
785	Another seven-eighths cow and purebred bull calf were split, the cow to Beacon Farms, Cameron, Mo., for \$1,075, and the calf to McKaw & Forbes, Paris, Mo., for \$1,100 for a total of \$2,175.
808	High selling individual female was BBR Miss 100 Easor 1H, purchased by River Bend Ranch, London, Texas, for \$2,150.
802	Volume buyers included: Cecil George, Miami, Okla.; Tim Thompson, Omaha, Texas; Phillips Bros., Neodaska, Kan.; Verrr Myers, Chanute, Kan.; and Ray McKernon, Lewisburg, Kan.

4th Windy Ryon Memorial Roping Set June 4 & 5

The 4th annual Windy Ryon Memorial Roping to benefit the American Heart Association will be held June 4 and 5 at new facilities located at the intersection of Loop 820 and Highway 287, just north of Fort Worth.

In the past, this memorial roping has raised more than \$30,000 for the American Heart Association. On Saturday, June 4, a matched roping will pit Ernie Taylor, World's champion calf roping in 1973, and fourth in world standings in 1971 who has made many trips to the National Finals, against Phil Lyons, World champion calf roping in 1971 and 1972 and all around champion cowboy in those two years in a 10-calf match with a winner-take-all prize of \$2,500. This is the fourth year that Taylor has participated in the matched roping, having beaten Ronnie Sewell two out of the first three matches.

At 8 a.m. Sunday, June 5, and open-to-the-world ladies barrel race will begin with all racers competing in one go-round, with the top 15 barrel racers to get a second run in the finals during the steer roping that afternoon. The winner will receive a trophy saddle.

Fifty ropers are to compete in the two-calf roping which has a \$200 entry fee, with the prize money to go to the heart association. Calf ropers include Tom Ferguson, 1974 world's champion, Taylor, Lyons, Junior O'Carroll, Ronnie Sewell, Barry Burk, Sonny Davis, Olin Young, Arnold Felts, Willard Monday, Tooter Walkee, Ronale Williams, Ed Workman and Terry Davidson. Last year's winner, Tom Ferguson won the \$1,000 prize money, a trophy saddle and use of a horse trailer for a year.

The steer roping will have 46 of the world's best steer ropers who will rope, trip and tie three steers each, with the 12 fastest on three to each tie or fourth steer for the championship. In 1973 Charles Good won earning \$3,500 plus the trophy saddle. Admission to the roping will be \$5 for adults and \$1 for children under 12. Tickets may be purchased at the gate or in advance from Amusement Ticket Service, Rodeway Inn, 111 W. Lancaster, Fort Worth, Texas, phone 817/886-5777.

Johnson Polled Herefords Avg. \$495

Chickasha, Okla. — Johnson Polled Hereford Farms complete dispersal of registered Polled Herefords Monday, May 18, resulted in 194 females selling for \$94,460 for an average of \$487 and one bull for \$2,100. The 195 lots totaled \$96,560 for an average of \$485. The sale was managed by National Cattle Service, Lawton, Okla., and auctioneered by Merrill Anderson, Brondlands, Ill., and James Birdwell, Flathead, Mont. Eddie Sims, Ray Sims, Lawton, Okla., and Guy Shull, Elgin, Okla.

Topping the females was a heifer with first calf heifer pair purchased by Spring Creek Farms, Inc., Pierpoint, Okla., for \$1,850. The same firm also purchased the second high selling female lot for \$1,350.

E. B. Geo Ranch, East Prairie, Mo., bought the next high selling female lot for \$1,250, and Edwards Polled Herefords, Harrison, Ark., took the next high female for \$1,100. Volume buyers included Truway Cattle Co., Rockwell, Texas; Henry Ellis, Chaburn, Texas; Carl Merrill, Duncan, Okla.; W. B. Williams, Colmar, Ill.; Flying W Ranch, Kimball, Neb.; Circle B Ranch, Bay Springs, Miss.; Frank Crabtree, Ada, Okla.; and Allen Kelly, Amesbury, N.H.

(CONT. FROM PAGE 1A)
cases when the oil was gone they slid back into rock hard poverty again. This may well be the case with some of the New Rich in the oil producing countries, they'll live it up while it lasts, and then move back to their tents in the desert. Some of the more enlightened leaders in those countries see this possibility and are trying to use the oil money to establish industry and water supplies, etc., but the big problem seems to be the oil money itself. A little desire for work. Imported labor is doing most of the work and regardless of how much industry is developed, it takes people to run it and at this writing they seem as illic to toil as a third or fourth generation Welfareite in the U.S.

The other day they were a story out of Colombia that some coffee farmers were burning some coffee trees to protest the fact their Govmint was taxing their coffee exports about 70% or so, and they wanted a bigger slice of the pie in spite of the fact they had money they couldn't spend and inflation was wrecking the Colombian economy as buyers with too much money bid things out of sight.

Th other day Venezuela proposed a bond issue for the country of a hundred million dollars or more and not too long ago this country was a similar bond issue in Europe. Not long ago Venezuela would have been considered a bad bet in almost any kind of financial deal, except Furrin Ade, but those European bonds were rated AAA by both Moody's and Standard & Poor's, and this new issue will probably be rated tops, too.

Much the same sort of thing is taking place at various other points around the globe as we run into problems of shortages of bauxite, nickel, chrome and other stuff we find essential to maintain our standard of living as high as it is.

Once upon a time these poor folks in furrin lands used to come to this country, hat in hand, for Furrin Ade handouts of cash or commodities, but now they are takin' it away from us with all the dexterity of highjackers.

Unfortunately we have a great many people in Congress & Public Life who seem to blame high prices on Big Business in this country. It would appear about time for a new leather-brained asspurs to take a new look at The Situation and discover the root cause of our shortages and inflation are in many cases the doing of these rascals who we used to give our money to. The diffrents cow is, they are takin' it.

Ever thine,
The Edditor.

P.S. Uncle Dunk says that after less than four months in office Jimmy Carter is still quite a puzzle to one & all, but particularly to the Liberals who figured they had a man in the White House they could call their very own. Dunk says the best recent example of this was Sen. McGovern's bitter distria to the Amorloaas for Democratic Action when he howled, he was beginnin' to wonder who won the last Election. Carter has shown real talent at pullin' the fence of Liberal activists by puttin' 'em to work at second or third level Burocratic jobs. That gits 'em out of the way. It was amusing to hear the Auto Workers Woodcock tear into Carter's plans to fix the big cars, but Carter has him under control. He'll soon be sent to China to represent the Govmint, and if that ain't about as far away as you can send a dissenter, we ought off hand think of where else. Remember what Bert Lance told a group of business men durin' the Campaign? He allowed as how "Carter Campaign. Liberal, but he Covorns Conservative." Which may explain a lot of things. — Thassell, Brothral

Rake 200 acres a day!

And more, with a Rowse Hydraulic Rake. A 30' 3-section rake will sweep up more than 20 acres per hour at 8 mph...at 5 mph tractor speed you can put up more than 18 acres an hour with the same size rake. And...Rowse Hydraulic Rakes are available up to 42' wide!

Prairie hay, alfalfa, straw, even drouthy short hay, Rowse Hydraulic Rakes will pick up more of it, save more of it, and let you build just the right size windrow for stacking, baling or chopping.

- Flexible design "floats" over uneven ground to get more of the crop.
- Fast, single-lever hydraulic control for quick, accurate dump.
- Choice of 8 sizes from 18' to 42'.

Rowse equipment makes hay—more profitable!

Texas Brangus Breeders

Association News

By JOYCE HOLLIS

Kerrville Brangus activities are going strong at the present time.

On June 1 starting at 7 p.m., the TBBA Junior Brangus Assn. will have its regular meeting and junior board of directors meeting at Gillespie Fair Grounds, Fredericksburg.

June 2, starting at 7:30 a.m., the TBBA constitution committee will meet at the Sunday House in Kerrville. At 9 a.m., the TBBA summer meeting will get underway with TBBA board meeting immediately following. At 10 a.m., the TBBA Women's Auxiliary will hold an organization meeting at the Holiday Inn in Kerrville. Activities will start at 1 p.m. at the Gillespie County Fairgrounds, Fredericksburg, with an TBBA inspection seminar and junior futurity starting at 4 p.m. The judges will be Joe Lewis, Larned, Kan. There are over 100 entries. At 8:30 p.m. P&F Cattle Co. will host its party in the Louise Hays Park at Kerrville.

Friday morning at 8:30 a.m., the TBBA Futurity will get underway at Fredericksburg with Dr. Bill Able, Kansas State University as judge. From 6:30 to 8 p.m. the Miss America cocktail party, Miss America Sale, and the TBBA summer party will be held at the River Hill Country Club. At 8:30 p.m., the Junior Brangus Breeders, age 7 and up, will have a bowling party. A bus will

pick the juniors up at the country club.

Saturday, June 4, at 7:30 a.m., the TBBA Junior Brangus Assn. will hold an organizational meeting of the Sunday House Motel in Kerrville. Starting at 10:30 a.m. through 12 noon will be a Champagne brunch and "Top of the Crop" sale at the River Hill Country Club, Kerrville. At 5:30 through 7:30 p.m., Brink's Brangus will host a cocktail party and sale at Brink's Airport Ranch at Kerrville. They will wind up the evening after the sale with a Brink's "Gracias" party.

J. W. Hastings, Windthorst, Texas, held his first production sale on April 30, with 21 1/2 bulls averaged \$9,140 with the top selling bull went to Krist Hubert Ranch for \$20,000. Eighteen pairs averaged \$2,547 with high selling pair going to Clayton and Modesta Williams, for \$5,600. Sixteen bred cows and heifers averaged \$1,894 with the Williams paying top price of \$7,400. Ten open heifers averaged \$1,595 with top heifer going to Brink's Brangus for \$2,900. The sale was managed by Syler Sales Management, Inc., Brangus, P&F Cattle Co., Bellville, Texas, and auctioneers were Bert and Ruben Reyes, San Antonio.

Krist Hubert will hold his annual production sale at the Southwest Junior College agricultural barn at Uvalde, Texas, May 21 at 1 p.m.

Krist Hubert Brangus Sale Set May 21 At Uvalde College Barn

Uvalde — Krist and Mae Hubert, owners of the Krist Hubert Brangus Ranch, and Bud Trant, manager, will host their annual production sale on Saturday, May 21, beginning at 1 p.m., at the Southwest Texas Junior College. (CONT. ON PAGE 5B)

Granada Announces Special "Angus With Brangus" Cow Sale

Granada, one of the nation's leading producers of Brangus cattle, has announced a special cow sale for June 27, 1977, beginning at 10 a.m. The sale is scheduled for Monday following the "Yellow Rose of Texas" Brangus sale on Saturday, June 25, in Waxahachie, Texas. The Granada sale will be held at its sale and show barn on Highway 3, south of Marquez, Texas. Marquez is about midway between Dallas and Houston just off I-45. (CONT. ON PAGE 19 B)

The Pines & Plains Brangus Breeders Assn. will hold its "Yellow Rose of Texas" Brangus sale at the Waxahachie auction barn June 25 at 1 p.m. Headquarters will be Brookside Inn in Waxahachie, with the sale to be managed by Syler Sales Management, Inc., Burto, Texas, phone 713/286-4400.

There will be an International Brangus Inspection Seminar at the J. W. Hastings Ranch at Windthorst, Texas, on June 11th at 2 p.m. See everybody in Kerrville.

Brangus Days In Hill Country June 2, 3 & 4 Feature Three Big Sales, Two Futurities

Kerrville, Texas—Brangus Days in the Hill Country will take place June 2nd, 3rd and 4th with three big Brangus sales and two big Brangus shows. All three sales are International Brangus Breeders Association Guidelines approved sales.

On Friday, June 3, at 7 p.m., the Miss America Brangus sale will take place at the River Hill Country Club near Kerrville with 10 of the best Brangus heifers in the Hill Country selling under sponsorship of the Hill Country Brangus Breeders Assn.

On Saturday, June 4, at 12 noon, the Texas Brangus Breeders Assn.'s "Top of the Crop Sale" will be held at the River Hill Country Club at Kerrville with an offering of 81 carefully selected pairs, bred heifers, open heifers and one herd sire.

Also on Saturday, June 4, at 7 p.m., Brink's Brangus Annual Production Sale will be held at Brink's

Airport Ranch at Kerrville with an offering of 70 head of Brangus including 66 females and 10 heifers and bull calf herd sires, poets, including sons and daughters of Totini, Beacon, General and Tinto.

The two shows are: Junior Futurity, Thursday, June 2, at 11 a.m. at the Gillespie County Fairgrounds in Fredericksburg; and the International Brangus Breeders Fair at the Gillespie County Fairgrounds, Fredericksburg.

SCHEDULE OF ACTIVITIES THURSDAY, JUNE 1

0 a.m.—TBBA Summer Meeting, Sundry House, Kerrville.

1 p.m.—TBBA Inspection Seminar, Gillespie County Fairgrounds, Fredericksburg.

4 p.m.—Junior Futurity, Gillespie County Fairgrounds, Fredericksburg. (CONT. ON PAGE 19 B)

Krueger Brangus Ranch near Crockett will be the scene of a field day May 28. This is a scene at the ranch with some of the cows pictured on the lush pasture in a picturesque setting.

Speakers are Carlton Corbin, well-known Oklahoma breeder of performance cattle and noted judge; Roy Lilley, Executive Secretary of the International Brangus Breeders Association; and Joe Crow, early day manager of the Brangus breed's foundation herd at Vinita, Oklahoma.

Highlight of the Field Day will be Corbin's talk on "What to Look for in Selecting a Bull." During his presentation, Corbin will illustrate his talk showing conformation traits of selected young bulls from Krueger Brangus herd. Corbin will also deal with aspects of performance testing and remedial breeding selecting bulls.

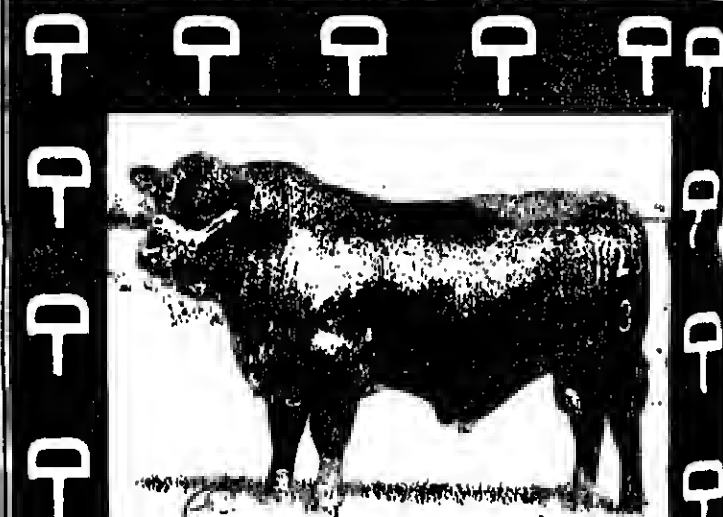

Roy Lilley will talk on the history of the Brangus breed and will show how the prominent breeding (CONT. ON PAGE 7B)

There are times when silence is the most wonderful sound in the world.

PW OSCAR 120

We welcome Brazos Valley Ranch of St. Monton, Texas, as a new partner in THE OSCAR BULL. This fourth generation sire, with ancestors weighing over 1,100 lbs. at a year old for four generations, is siring outstanding calves for us. We welcome your visit to come by and see them.

LOOKING FOR REALLY GOOD BULLS?

We have a number of outstanding bulls for sale at this time and invite you to inspect them and our other cattle at any time. These bulls include top commercial types and some real herd bull prospects. See them, you'll like them.

Yellow Rose Brangus Sale Set June 25 At Waxahachie, Texas

Waxahachie — The 6th annual Yellow Rose of Texas Brangus sale sponsored by the Pines & Plains Brangus Breeders Association will be held Saturday, June 25, beginning at 1 p.m., in the Waxahachie Livestock Commission Co. eight miles north of here on I-35E at Red Oak, Texas.

The sale committee, Don Norton, chairman, Paul Sharpe, Roland Young, and J. W. Hastings, along with Dr. Charles Ogilvie, association president, and Wanda Britton, secretary, will host the sale of one herd sire and 65 females including 15 cow-calf pairs, 35 bred and 20 open females.

The cattle have been carefully selected and sifted by the sale committee from over 100 head at three field days held by Pines & Plains Brangus Breeders. Minimum weights are certified to be 670 pounds for cattle up to 12 months of age; 850 pounds up to 18 months; 904 pounds up to 24 months; and over 1,000 pounds for cattle 28 months and over.

Genital Bowie will be the auctioneer.

Sale day phones are 214/578-3894 and metro 214/200-5332. This is an International Brangus Breeders Assn. Guidelines Approved sale.

Sale headquarters will be the Brookshire Inn, Box 493, Waxahachie, Texas, phone 214/937-8223. Information is available from the sale manager, Syler Sales Management, Inc., Route 2, Box 38, Burton, Texas 77855, phone 713/289-4400.

Krist Hubert Brangus Sale Set May 21 At Uvalde College Barn

(CONT. FROM PAGE 2B)

agricultural barn in Uvalde. Highlighting the offering will be sale of one-half interest and one-half possession in "General," Golden Certified Meat Sire, whose latest honors in the show ring include: get-of-sire at the 1977 San Antonio and Houston shows; sire of the 1977 grand champion female, reserve grand champion bull and reserve heifer calf champion at San Antonio, and the bull calf champion at Houston.

Included in the offering of 108 female lots are 45 pairs, this largest offering of pairs in a production sale in Brangus history, including calves by General Oscar; Mr. JWH Tom-Tom 38/3, the International Futurity Champion; and Seminole. There will also be 14 fancy open heifers that are daughters of General, Beacon, Oscar, Titan and Seminole; and 82 bred females carrying services of these top bulls. All females sell with breeding privileges to the Hubert sire of the buyer's choice.

Four hard sire prospects will also sell including sons of: Mr. JWH Tom-Tom 38/3; Oscar 382; George Boy and Surer Star.

This is an International Brangus Breeders Assn. Guidelines approved sale.

Sale headquarters will be the Continental Motor Hotel, Uvalde, phone 512/278-5871. A pre-sale cocktail party will be held from 1 to 11 p.m., Friday, May 20, at the Uvalde Country Club. Lunch will be served sale day at 11:30 a.m.

Auctioneer will be Ruben Reyes, San Antonio.

Further information is available from Krist Hubert Brangus Ranch, Krist & Mae Hubert, owners, or Bud Trent, Manager, P. O. Box 288, Bateville, Texas 78828, phone 512/876-4848; or the sale manager, Syler Sales Management, Inc., Route 2, Burton, Texas 77855, phone 713/289-4400.

OBBA Field Day May 29 Announced
The Oklahoma Brangus Breeders Association will sponsor their Annual

Plans for the day include an International Junior Brangus Heifer Show, open to any Junior Brangus Breeder. No advance entry is required. Five classes of Brangus heifers will be shown. Premiums have been established.

Field Day Sunday, May 29, 1977, at W. A. Musgrove's Bar A Ranch, Bokchito. The ranch is located five miles south and approximately 18 miles east of Durant on State Highway 70E.

Carlton Corbin, well-known Angus breeder of Pittsboro, Oklahoma, will judge the show. Mrs. LaDonna Marshall, Marshall Star Brangus, Route 8, Box 489-A, Shawnee, may be contacted for further information on this show.

Dr. Travis Rich, Livestock Specialist, Oklahoma State University, will be the guest speaker. He will discuss the Beef Test Center at OSU. Activities will begin at 10 o'clock.

Plans for the day include an International Junior Brangus Heifer Show, open to any Junior Brangus Breeder. No advance entry is required. Five classes of Brangus heifers will be shown. Premiums have been established.

Field Day Sunday, May 29, 1977, at W. A. Musgrove's Bar A Ranch, Bokchito. The ranch is located five miles south and approximately 18 miles east of Durant on State Highway 70E.

Carlton Corbin, well-known Angus breeder of Pittsboro, Oklahoma, will judge the show. Mrs. LaDonna Marshall, Marshall Star Brangus, Route 8, Box 489-A, Shawnee, may be contacted for further information on this show.

Dr. Travis Rich, Livestock Specialist, Oklahoma State University, will be the guest speaker. He will discuss the Beef Test

MAINE-ANJOU NEWS

Texas Maine-Anjou Field Day,

Sale Set June 25 At New Braunfels

New Braunfels — Texas Maine-Anjou Association will hold a field day and consignment sale at New Braunfels, Texas 18 miles north of San Antonio on Interstate 35 beginning at 1:30 p.m., Saturday, June 25.

Calvin Fryar, Brownwood, president of Texas Maine-Anjou Assn., said an interesting program is being arranged for the field day on synchronization and breeding by artificial insemination, and on herd bull selection.

The sale will feature 50 lots consisting of 10 fullblood Maine-Anjou and 40 lots of purebred and seven-eighths Maine-Anjou breeding cattle, plus 20 three-quarter and seven-eighths Maine-Anjou bulls from the top animals on the current bull test at Howard Payne University's bull test center at Brownwood. That test will be concluded June 17 and complete data will be available on all the test bulls.

"The Maine-Anjou bulls from the Howard Payne test have proven highly popular with commercial cattle breeders, particularly from South Texas, so we believe it's appropriate to take the bulls to where the strongest market has developed," Fryar said.

"Maine-Anjou percentage bulls have proven highly popular with commercial cattle producers, because of the added weight they put on calves at weaning time," Fryar said.

Cattle for the sale, which is the largest offering of high percentage and fullblood Maine-Anjou ever made in Texas, are being consigned by leading breeders over the U. S. and in Canada, Fryar said.

For the field day, there will be a large display of fullblood and high percentage cattle in addition to the sale cattle.

"Sale headquarters will be the Travel Lodge Inn at the San Antonio airport, phone 512/825-9031. Further information on the field day and sale is available from Dr. R. C. Norman, owner of Nor-Tex Farms, phone 512/658-1560 at home or 512/666-3260 at the office, or

C&J, Five J And Cal-Tex Maine Anjou Sale Set For May 29

Mott, Texas — The First Maine-Anjou Production Sale of Jay and Nita Jones' C&J Maine-Anjou Farms, and Cal-Tex Maine-Anjou will be held Sunday, May 29, 1977. Sale time is 2:00 p.m. at the farm near Elm Mott.

To get to the sale location take I-35 North of Waco, Exit to Elm Mott and go east 1 mile. Watch for Signs.

Selling are 45 lots including 2 fullblood bulls, the first 15/16 Maine-Anjou heifer to sell in the U.S., and 3 7/8 females. The balance of the offering includes 3 purebred heifer pairs, 8 open 3/4 heifers, 3 Bra-Maine heifers, 12 halfblood bred females, 3 7/8 bulls, 7 3/4 bulls and 2 7/8 bull calf pairs.

Sale headquarters will be the International Inn in Waco. A pre-sale party will be held at the International Inn, the night of May 28. Auctioneer will be Stanley Stout. For information contact Jay and Nita Jones, C & J Cattle Co., Rt. 1, Box 167A, Elm Mott, Texas 76840, 817/822-1183.

Wright Ranch, Moore, Mont., consigned the calves to Group 21 in November 1973. Fed 124 days, feedlot gain was 4.23 pounds ADG with a cost per 100 pounds of gain of \$36.80, which was \$6.00 to \$30.00 less than average cost of gain at the feedlot. When sold in March 1977, the average weight to these Maine-Anjou steers and heifers was 1356 pounds. Information available on 28 head showed 23 graded choice and three good, with 13 receiving a yield grade score of three and eight receiving two's.

Group 21 feeds about 30,000 head each year. Kirk said feedlots are always looking for animals to convert corn to beef quickly and efficiently, and these Maine-Anjou crossbreeds were some of the best they've seen for gain and conversion.

For more information contact the American Maine-Anjou Assn., 534 Livestock Exchange Bldg., Kansas City, Missouri 64102.

Potentially Dangerous Imported Liver Product Consumers were warned May 12 that all imported canned liver paste (paste) products bearing establishment numbers "2401-C" and "2401-D" should be considered dangerous and not eaten.

Officials of the U.S. Department of Agriculture said the establishment numbers are printed on product labels and also embossed on the cans. In addition, the words "Product of France" are printed on the labels.

El Dorado, Kan. — Ramsey Ranch, long-time Angus breeder and performance tester of cattle for 28 years, held a performance-tested bull sale April 13 in which 60 Angus bulls averaged \$738 and 10 head of Maine-Anjou bulls averaged \$1,179.

A Maine-Anjou, son of Enjouleur out of a Charolais cow, sold for \$2,025 to I. N. Fehr, Dallas, to top the sale. This bull had weaned at 608 pounds with an index of 129, and gained 3.34 pounds per day average on test.

The nine other Maine-Anjou bulls were sold by Dallas and Dollar II, with Dollar II sons selling for \$1,950 to Robert Burton Kelley, Chickasha, Okla., \$1,850 to Mike Bender, Waukomis, Okla., \$1,800 to Fehr, and \$1,000 to San-Antilles Ranch, Vernon, Texas.

Dodge City, May 18 (USDA) — Slow early May sales slaughter steers steady, low slaughter heifers on Friday steady. Steers 650 Choice 2-4, mostly 3 1150-1175 lbs. 42.75-43.00; choice with end good 1025-1150 lbs.

Wichita, May 18 (USDA) — Slaughter steers steady. Steers 650 Choice 2-4, mostly 3 1150-1175 lbs. 42.75-43.00; choice with end good 1025-1150 lbs.

Omaha, May 18 (USDA) — Nebraska Feedlot Sales 2,350. Very little trading action. Represented sales steers 2-4 1050-1300 lbs. in eastern counties. 41.25-42.25. In Central and East-Central counties, occasional sales with 41.75-42.50. Instances 42.75. 350-1150 lbs. 40.00-41.00 in western third of state, in central counties tared loads such kinds 40.50-41.50. Neal Kruger, a Cuero FFA member, won the grand championship of the recent Cuero Livestock Show with the Maine-Anjou crossbred steer from the Hadley Wardlaw Ranch at Brackettville. Buchol Bank and Trust Co. of Cuero paid \$1.95 per pound for the 1,181 pound steer. (Photo by Victor Advocate.)

Oklahoma M-A Officers New officers of the Oklahoma Maine-Anjou Association were recently elected for 1977.

Junior Benedix, Harrah, is the new president; Leroy Odell, Byars, is vice president; and Jerry Josely, Grand Hold, is secretary-treasurer.

American Maine-Anjou Convention To Louisville, Ky. Kansas City — The American Maine-Anjou Association announces their 38th Annual Membership Convention to be held June 3-4 in Louisville, Ky.

Thema of this year's convention is "Louisville's Famous Churchill Downs — Join the Maine-Anjou Winner's Circle." One highlight of the convention will be an afternoon at the races, with one race dedicated in honor of Maine-Anjou.

Greelous hospitality and strong support of Maine-Anjou, as brought together in Kentucky, makes Louisville a perfect convention spot. Kentuckians make up nearly 10% of the AMAA membership, and Maine-Anjou breeders in Kentucky have registered over 4,500 head, making Kentucky the third largest Maine-Anjou state in registrations. Kentucky Maine-Anjou

Association members will have some of their fine cattle on display during the convention. Convention headquarters are the Executive West, just two minutes from the Louisville airport.

The convention opens Friday morning, June 3, with a "Principals' Breakfast for AMAA state affiliate presidents. The balance of the morning will be devoted to "Open Committee Meetings" — Performance Registry, Shows and Sales, Youth Development, Import-Export/Animal Health, and Promotional Membership.

The afternoon at Churchill Downs June 3 will be followed in the evening with a casual get-together hosted by the Kentucky Maine-Anjou Association.

Four seminars open the June 4 convention session. Adrian Malin, a member of the Australian Maine-Anjou Cattle Breeders Association, will show the movie "The Big Muster," illustrating the unique difficulties and challenges of coping with beef production in Australia's vast inland areas.

Following the movie, McEwin will talk about the impact of and progress made by Maine-Anjou in Australia.

Robert G. Zimbalman, Research Manager for the Upjohn Company, will talk about synchronization and the possible use of intramuscular injections of prostaglandins as a useful tool in synchronizing estrus.

Tom Fuesler, Vice-President of Provision and Procurement at Oscar Meyer and Company, will talk about merchandising as an important part of modern cattle business. New techniques must be developed to fit the changing needs of today's cattlemen.

American National Cattlemen's Association Purebred Department Director, Tom Cook, will talk about the role of the ANCA in the cattle industry, and what the ANCA can do to help the individual cattlemen.

The annual AMAA Membership meeting will convene at 1:00 p.m., June 4, with a full report to the membership. As in the past, one-third of the Board of Directors' terms expire. Ample time during the annual meeting will be provided for regional caucuses so that members may elect their new directors. They will also be able to discuss other items of promotion and planning for their respective state associations and

Texas Polled Hereford NEWS

Deadlines, Judges Set For Nat'l Junior Polled Hereford Show

Judges and entry deadlines have been announced for the fourth National Junior Polled Hereford Show and Forum scheduled for July 12-15, 1977, at the Oklahoma State Fairgrounds in Oklahoma City.

Judges for the show on July 14-15 will be Dr. Bill Able, Kansas State University, Manhattan, Kan.; Dick Hubman, Little Beaver Creek Ranch, Hays, Mo.; and Gail Long, Ada, Okla. Devo Anderson of Tardora Farms, Gibson City, Ill., 1976 Polled Hereford Herdman of the year, will be the showmanship judge.

All junior members of the American Polled Hereford Association and their 1976-born Polled Hereford heifers are eligible for the show. Ownership deadline is May 2, 1977, and deadline for entries will be May 18.

Events begin with forum and council activities on Tuesday afternoon, July 12, and continue with a Polled Hereford judging contest Wednesday morning, July 13, followed by a program titled "Polled Hereford Juniors... On the Move."

Showmanship competition and championship selection are scheduled for Friday, July 15.

Sponsoring organizations, in addition to the APHA, are the junior and adult Oklahoma Polled Hereford Associations, Oklahoma's 4-H and FFA groups and the Oklahoma City Chamber of Commerce.

Entry forms, rules and regulations for the show were mailed to all junior APHA members. Interested youth who do not receive the information should write the American Polled Hereford Association, Youth Activities Department, 4700 East 68th St., Kansas City, Missouri 64130.

Diamond R Polled Hereford Dispersion At Hearne, June 20

Hearne, Texas — The Diamond R Polled Hereford Complete Dispersion will be held June 20, 1977. Sale time is 1:00 p.m. at the ranch located 2 miles west of Hearne on Hwy. 485.

The sale offering of 150 lots includes cow/calf pairs, bred and open heifers, head bulls and serviceable sows. Bloodlines represented in the cow herd include Domestic Mitchell, Mesa Domino, Lamplighter and Victor Domino. Herd sires are OG Joe Mitchell 1984, SR Beau Victor 493, SR Beau Victor 535, and LS Beau Victor 5-13. Complete production and performance records are available.

Information and catalogs are available from the Texas Polled Hereford Association, Box 70, Rio Vista, Texas 76983. Mike Hudson, 317/873-2524 or 645-7702. Information is also available from Mr. and Mrs. R. S. Ross, Owners, 6200 Valley Forge Drive, Houston, Texas 77067, 713/279-3136 or 645-0146.

Colorado Directs

Graseley, May 13 (F-S) — Hardly enough steers sold for an accurate test of the market, token volume 1.50-2.00 lower; volume of heifers also far below normal, prices 1.00-1.50 lower. Few loads early on a carcass basis, choice 500-700 lbs. carcasses 65.00 not weights. Feeder Cattle 1,100. 700-770 lbs. 41.00-41.50; 800 lb. grade heifers 65.00 lbs. 37.50.

Cattle For Sale? — Advertisers Classified

Kramer Polled Herefords Avg. \$633

Douglas, Okla. — When Nick Kramer III and his wife, Almada, dispersed the Kramer Polled Hereford cow herd May 9 the 95 lots grossed \$90,130 for an average of \$633. The herd had been started in 1943 and had become one of the more famous Polled Hereford herds in Oklahoma. The sale was managed by Eddie C. Sims, Dale R. Sims, and James Birdwell of the National Cattle Services, Lawton, Okla., with Eddie Sims as auctioneer.

Two bulls sold for \$7,546 for an average of \$765 and 35 female lots for \$62,636 for an average of \$619.

Topping the sale at \$3,050 and T&S Victor T316, a son of Victor Domino 1 purchased by Rolling Meadows Farm, Chickasha, and Woods Farms, Amber, Okla.

High selling female lot was a cow purchased by TP Ranch, Douglas, for \$775 with her heifer calf going to C. Tufts & Sons, Hillsboro, Texas, for \$410 to a total of \$1,185.

Fraser Polled Hereford Farm, Norborne, Mo., bought the second highest selling female for \$1,100. TP Ranch paid \$895 for a cow and her heifer calf went to Ogeches Farms, Fairland, Ok., for \$400 for a total of \$1,095.

HVF Farms, Waukomis, Okla., paid \$1,000 for a cow and bull calf. Tom O'Hare, Marshall, Okla., paid \$1,025 for the bull KOC Mode 201; and Robert Houk, Fairview, Okla., paid \$780 for T&S Victor T316 and \$750 for NK Beau Mode A54.

Volume buyers included Ray Lester, Yukon, Wash.; White's Polled Herefords, Walters, Okla.; Harry Ward, Keota, Okla.; Jack Fritchard, Stillwater, Okla.; Fraser Polled Hereford, TP Ranch, Chickasha Farm, Waukomis, Okla.; and Jimmy Jones, Fletcher, Okla.

Arizona Directs

Uvacek Sees Some Improvement In The Cattle Outlook

(CONT. FROM PAGE 1)

"Price rises for fed and feeder cattle should continue to be rather healthy through the second quarter of the year and into the early part of the third quarter," believes Uvacek. "However, there will be some weakening of prices into the fall and winter."

The specialist expects fed cattle prices to top out in July but to generally remain strong throughout the summer months.

He also points out that such strong last Monday. Sows firm, U.S. 1-3 190-240 lbs. 41.75-43.50. U.S. 2-3 165-270 lbs. 41.00-41.75. Sows: U.S. 1-3 300-400 lbs. 38.00-35.00, few 1-2 270-330 lbs. 36.00-36.00, 400-600 lbs. 31.00-33.00, few 35.25.

fed cattle prices this spring could lead to increased feedlot placements and an oversupply of fed cattle by the end of the year.

"Total cattle slaughter was down 4 percent during the first three months of this year, even though fed cattle marketings were up," notes the Texas A&M University System specialist.

"This means considerably less cows and nonfeds are being slaughtered than a year ago."

"Feedlots intend to market about six million head during the second quarter-April through June," notes Uvacek. "Since there is some indication that some cattle may have been marketed early, second quarter fed cattle marketings may even be lower than originally anticipated. Even the original estimate, though higher, would still produce only about 1 percent more fed beef than a year ago."

With further seasonal reductions expected in the slaughter of nonfed cattle and cows, beef production during this quarter could easily run 5 to 6 percent below the same period a year ago," points out the specialist.

"Fed cattle marketings during the third calendar quarter should total 5.8 to 5.9 million head. This, coupled with lower pork and nonfed beef production, could sharply reduce total red meat supplies by the third quarter to levels below a year ago."

Wool & Mohair

National Wool Review, May 18 (USDA) — Trading on domestic wools show as buyers proceeding cautiously in view of a slightly lower, uneasy undertone. Confirmed sales limited to mainly wool pools and assled bid sales with very few private treaty transactions reported.

In Texas the main focus of attention this week has been on the sealed bid sale in Del Rio involving near 800,000 pounds of 8-month wool. At the first day of sale 587,000 pounds bulk 84, 84s 70, paint-free 8-month sold from 90.75 to 104.5 cents grease job warehouse, estimated else 1.70-1.75. Paint broaded 8-month ranged 84-89.8 cents grease job on approximately 55,000 pounds. Near 88,000 pounds of 12-month, bulk 84s were sold from 75-84 cents grease job, estimated near 1.75-1.80, clean delivered. At private treaty the past ten days near 280,000 pounds of paint-free 8-month wool has sold from 85-85 cents grease job warehouse. Near 125,000 pound 12-month 84s sold from 80-94 cents grease job.

Trading on Texas mohair limited as most of this season's offerings are now sold. Approximately 100,000 pounds have sold during the past week with adult ranging from 2.80-3.00, and a small weight of spring-kid at 4.40 grease job warehouse.

Handwritten signature or note at the bottom of the page.

2,400 ACRES

Get away from the world with this Texas Hill Country Ranch -

The Medicine River meanders 2 1/2 miles through its midai. Its rolling hills and spring-fed canyons are teeming with game. The enormous 4-bedroom, 3-bath solid rock home is nestled on landscaped and terraced grounds studded with decades-old live oaks. Nearby are the swimming pool, 3-car garage with workshop, 2-story early house, guest house, and screened barbecue house. There are well-placed barns, stables and pens, as well as a 3-bedroom rock house for either foreman's house or hunting lodge. All improvements are in top condition. This west Bandara County ranch has over 2 1/2 miles of paved highway frontage, good interior roads, excellent fencing, admirable range management and brush control. Priced below market. We challenge you to find a more beautiful ranch anywhere. For full details, contact:
